Description of Specific and Related Occupational Training

In the section below labeled *Texas Essential Knowledge and Skills (TEKS) for Training Objective*, insert the knowledge and skill statements from the related CTE course. The *Advanced Occupationally Specific Essential Knowledge and Skills* section is available to add specific training opportunities otherwise not identified in the TEKS. **NOTE**: Add rows as needed.

Texas Essential Knowledge and Skills (TEKS) for Training Objective	Work-Based Instruction	Individualized Class Study	Specific Related Study Assignments
[Add knowledge and skill statements from the TEKS here. Student expectations are not necessary to list here.]			
Advanced Occupationally Specific Knowledge and Skills	Work-Based Instruction	Individualized Class Study	Specific Related Study Assignments
[Add knowledge and skill statements developed from collaboration among the student, CTE teacher, and training sponsor.]			

NOTE: This form is intended as a template; the user may modify as needed.

Revised: 11/2015

¹A training plan should be developed for any student that participates in a CTE work-based learning (WBL) experience where the training is conducted outside of the direct supervision of the teacher. This form may be used in conjunction with any CTE course; however, the most common WBL arrangements are either a cluster specific Practicum course or Career Preparation (paid only). An unpaid training plan cannot be used for students enrolled in Career Preparation.
